

LEMBAGA HASIL DALAM NEGERI MALAYSIA (LHDN): STESEN KERJA JARAK JAUH

Overview

- Vertical / Sector:
Government
- User Profile:
Lembaga Hasil Dalam Negeri
Malaysia (LHDN).

Problem Statement

LHDN faced critical challenges in:

- Increased operational risks
- Remote access to applications
- Cross-application functionalities in heterogeneous applications
- Enterprise secured environments on-premises
- Secured authentication

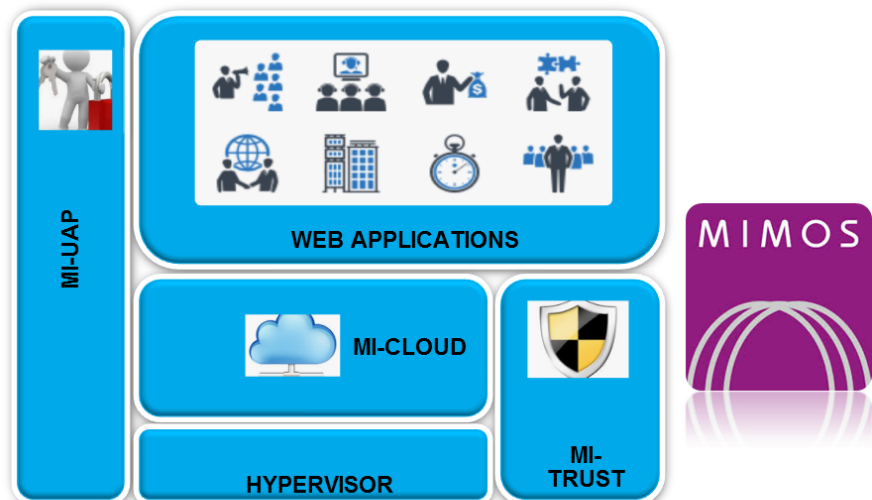

Technology platform

- Mi-Cloud
- Mi-UAP
- Mi-Trust

Description

The proposed solution to LHDN Stesen Kerja Jarak jauh (SKJ) Project is a one-stop shop for cloud-ready authentication and extends high availability, security, and flexibility, to implementing Enterprise secure environments on-premises. The project utilised MIMOS Secure Authentication Solution, a multi-factor and strong authentication that is easy to implement and manage.

Solution Framework

Solution Description

The open nature of MIMOS Secure Authentication Solution makes it the perfect environment for hosting companies, ISVs and System Integrators to build and customize Industry-specific secure software for vertical markets. With this solution, any cloud-based services or Web applications that requires authentication service can be integrated effortlessly, managed by the service portal seamlessly, and consumed by the customer intuitively.

Features

- Uniform Authentication Platform
- High Availability and Secure Cloud Infrastructure
- Automatic Service Provisioning and Orchestration Framework
- Open Architecture
- Dependable – Proven and Robust

Benefits

- Ability to initiate requests for additional identity verification
- Centralized authentication framework
- Seamless environment operation and adaptive authentication and threat response.

MIMOS
TECHNOLOGY
SOLUTIONS

MIMOS Technology Solution Sdn Bhd (formerly known as Frontier Novatur Sdn Bhd "FNSB") is a wholly owned subsidiary and commercial arm of MIMOS Berhad. It was established on 17th August 2011. Its goal is to generate new technology ventures through innovation, investment and transfer of technology. MIMOS, as Malaysia's premier applied research and development institute, provides the technology, the expertise and the experience that MTSSB taps upon in order to achieve its goal.
